DEVICE

デバイス

With devices simply attachable to the YUME bowl, your “shampoo space” will transform into a “comfortable eyelash & aesthetic space” !

- ✓ You can start eyelash service without exclusive chairs!
- ✓ For more effective use of the shampoo zone!
- ✓ Multiple services provided during the process time of hair treatments, etc.!

FEATURES

YUME EYELASH DEVICE

1 Arm Support

An arm support that is easily attachable to the YUME bowl. Your elbows are firmly supported, allowing safe treatment.

2 Eyelash Tray

A stainless steel tray that keeps tools close at hand. The compact design does not interfere with speedy treatment. Attachable to either side (right/left).

3 Eyelash Pillow

A pillow (optional) that supports the entire head, made with the same material as the YUME neck device. Achieves a comfortable sleep even with long eyelash treatments.
